

*Dear Exhibitor,*

*We wish to thank you for all your support in past years and welcome you to participate in the **2011 Fireside Symposium** which will be held at the Beautiful Blue Mountain Resort in Collingwood.*

*Please see attached this year's registration form and rates for booth space. There will be indoor display booths as well as outdoor burn booths which are in close proximity to each other. We have made one major change to the rate structure from previous events. This year's booth costs include event expenses which have allowed us to eliminate the need for external sponsorships. It is our intention that this format will promote a sense of community amongst participants.*

*In 2011 we aim to bring a different flavour with our educational programs. We encourage you to promote our seminars to your dealers and service people. Together let's make the 2011 show the best ever. Stay tuned for more exciting news and information.*

*Thank you for your continued support of the HPBAC functions. We hope to see at the **2011 Fireside Symposium-Blue Mountain**.*
